

## Team Assignment 2: Develop a Rubric

### INSTRUCTIONS:

- With your teammates, develop a rubric for scoring either:
    - a design report **or**
    - a laboratory report
  - Examples of different rubric models are provided on the back of this page and in other workshop handouts
-

## Example: Checklist of A-priori Criteria

### Project Checklist

Title of  
Presentation

Group Members

FEATURE	COMMENT
