Short Quiz on Ford Pinto Ethics Case Study

This quiz will be graded pass/fail and is designed to see how well you read the handout material for our first ethics case study. If you need more room, please write on the back side or add another sheet.

- 1) Very briefly, describe the problem with the Ford Pinto.
- 2) Name two of the possible solutions to the problem offered by the author of the first web page.
- 3) Briefly describe the Pinto cost-benefit analysis performed by Ford.
